**Safety  Bowling Rules**

**Congratulations!**  
 This Safety Bowling Awareness Game has been designed especially for you!! This will be a fun and easy way to help prevent accidents and maintain a safer workplace for every member of our team!!

**How Do I Start?**  
 Each employee / team member will receive a Safety Bowling Card. They will include your name and state the Safety Bowling Tournament will begin. Ask your supervisor for more information.

**How Do I Play?**  
 Everyday ONE Safety Bowling Pin number will be pulled and posted on the Master Board. Match the number on your card against the board's numbers to WIN!

**What's The Catch?**  
 If during a Safety Bowling game an employee / team member is injured on the job, the employee that requires treatment by a doctor beyond first aid per time allowed is out.

**All Safety Bowling Cards are void**  
 If a Safety Bowling Card is not issued the next working day. All new games will begin on game day if the minimum prize amount is met.

**How Can I Help?**  
 All employees responsible for the job, regardless of their title, must be reported to supervisor immediately. "Safety is the Key to a winning team!"
